The 3M[™] SelfCheck[™] allows students to check books in or out. Students can not only check out books, but also can check their accounts and see if they have overdue books or not. You should note that you cannot check in or out overdue books with the help of selfcheck system. If you have overdue books in your account please approach the Circulation Desk. Additionally, you cannot check out books which are on the Reserve collection (textbooks for your classes) using the 3M[™] SelfCheck[™].

Note: You cannot check out non-circulating books in the Reserve Collection, Reference Collection, Special Collection or the Oxford dictionaries in the basement. Those books can only be used only in the library. Moreover, the limit of the books that you can check out is 5. Bear in mind that you cannot check out more than 5 books.
